

BOATILUS™
environmentally active

About us

Boatilus are creators of 'eco-friendly' footwear. The founders of Boatilus are both parents and 7th generation footwear manufacturers, making footwear since 1810. Attention is given to quality and more importantly the chemical composition of the materials used. 100% recyclable, free from phthalates, phenols or latex. Boatilus prefer to manufacture in Europe using either recyclable or biodegradable raw materials, biodegradable rain boots were first produced in 2008.

OUR STRATEGY

Boatilus are here to create 'eco-friendly' footwear that makes you happy!

100% recyclable, free from phthalates, lemon scented, ergonomical design.

We care about your feet! We care about the planet.

All our footwear is 100% recyclable.

Our cartons are made from 100% recycled materials.

ENVIRONMENTALLY ACTIVE

The Joggy 2 Kids Snow Boot is a great first winter boot. The flexible, comfortable welly style sole unit is great for, playing in the snow, adventures in the outdoors or jumping around in parks. The outer sole has a -20°C temperature rating and that, combined with the thermal alu-protect membrane will provide warmth and protection against the elements. The addition of the fleece lining, furry collar, rubber sole with deep tread make this a great boot for the winter months. Fully waterproof up to the first stitch line.

Joggy 2 Kids Snow Boot

- Kids thermal winter boot
- Alu-Protect Thermal insulation
- 5 layer hydrorepellent laminate membrane
- Mid calf with lace fastening
- -20°C Temperature rating
- Deep rubber snow tread sole unit
- Warm fleece lining made from recycled bottles
- Supplied in Boatilus Recycled cartons

Bioty sandals for girls and boys are vibrant, fun and comfortable. Lightweight and easy to put on, our smelly sandals will be your kid's best friend. As parents and 7th generation shoe manufacturers Boatilus shoes are made with high quality and safe materials. Scented with a lemon essence made from lemon rinds produced in Italy the shoes have a delicious scent, good enough to eat! But please don't! For your children and ours, these shoes have been designed to respect the shape and sensitivity of little feet. We hope you love your Boatilus shoes.
