# CHEETAHDO

## SNOWSUIT

"Next to the snow caterpillar, I am the strongest predator on the slopes. I am a real powerhouse. But don't worry, I just want to play. And if I do steal something, it will be my parents' nerves. I am smart and slick hiding in the snow and when I have to, I am faster than ever. I love drifting down the slopes at high speed."

# OHDEER SNOWSUIT

„Gentle Deer? Don't underestimate me!  
I have sharp senses and when the  
conditions are right, I'm more than  
happy to leap out and go down the  
slopes. As light as I am, no one swishes  
down the slopes faster than me!“

# WILD THING SNOWSUIT

„If I cross your path, watch out!  
Otherwise your quiet run will end  
here. Furry neck, horns and claws -  
the only thing that helps is to look  
forwards with courage. Because  
the wildest of all animals is a Wild  
Thing on a board or skis!  
RRRAAA! „

# RACCOONDO

## SNOWSUIT

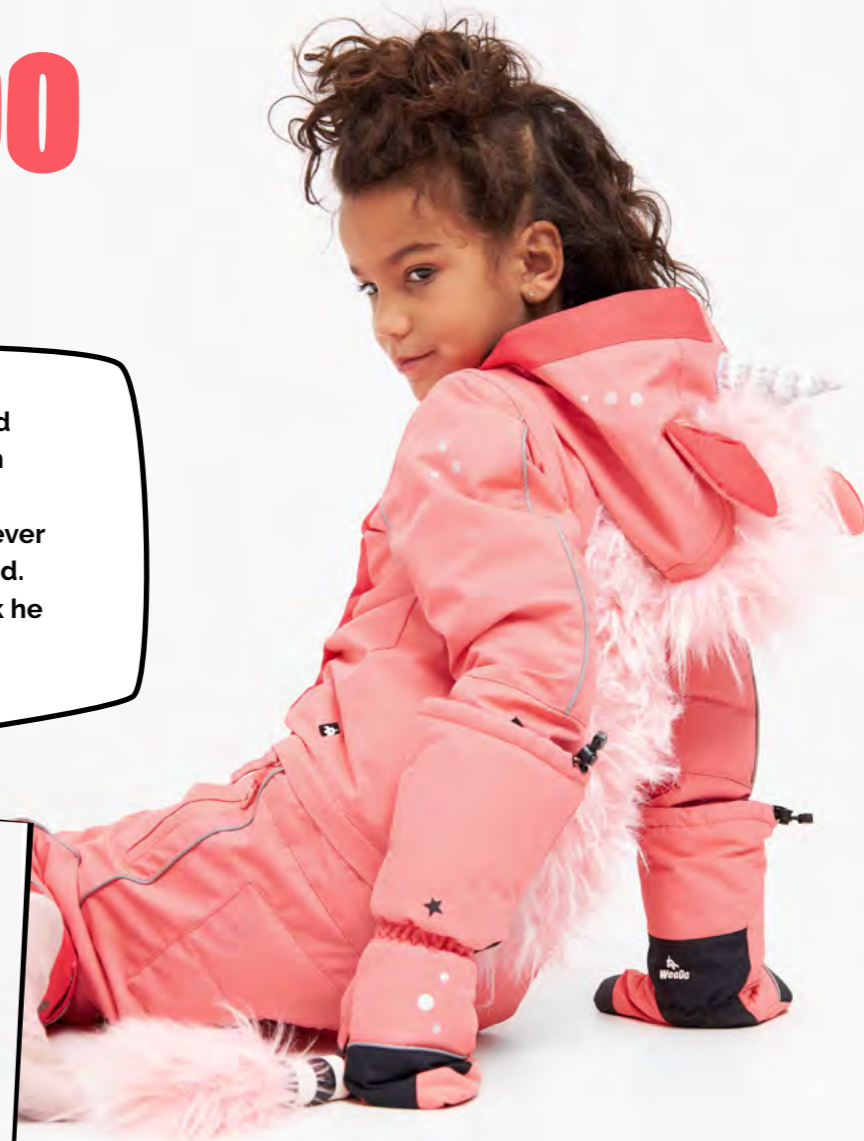

„I'm extremely talented at cheekily getting my way. Steep slope, forest playground or little hill? As for my territory, I'm not picky: it's all mine! Beware of the raccoon!“

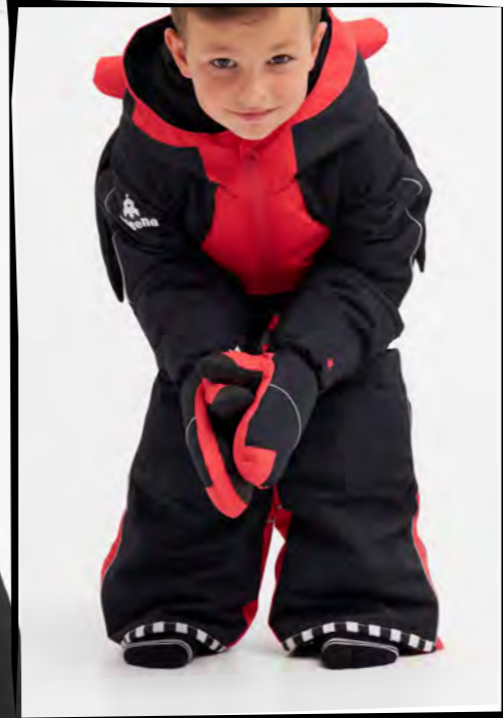

# UNIDOO

## SNOWSUIT

„I shower in rainbows every morning, am always in a good mood and am happiest when running through nature. My friend, Zeedo, says there's never an argument when I'm around. And, psst, between us: I think he quite likes my silky fur.  
Favourite colour: loud“

# DEVILDO

## BLACK SNOWSUIT

„Is that my cape flying - or are those my wings? - I swish across the slope so quickly that I make the snow melt.

Run for your lives, the black devil is loose!“

# DEVILDO

## RED SNOWSUIT

Have you seen my pitch-black horns?  
And the wildly whipping tail?  
Run for your lives, the red devil is loose!

# OMONDO SNOWSUIT

„I dress to impress!  
Courage is my middle name and the  
only ones who really fear me are snow  
and ice. Let me out and take me to  
the slopes, because I'm definitely not  
hiding under the bed!

Favourite food: little princesses  
(just kidding)“

# OLILIDO SNOWSUIT

"I am the princess in Mornster robe.  
Or am I the monster in the princess  
robe? Actually, it doesn't matter, the  
main thing is that I'm always open to  
the fresh air. Wishes to have raved!

Favourite sport: Marshmallow hurling"

## WHAT GOES AROUND, COMES AROUND!

### CIRCULAR ECONOMY!

OUR VISION: fun clothes for kids and new solutions for their future. Read our Blog to learn more about our brand philosophy!

### GOODBYE WASTE!

We use fabrics from recycled PET bottles or overproduction.

### SHORT DISTANCES!

Our factories and suppliers are situated close to each other.

### DRINKING WATER WITHOUT CHEMISTRY!

Our materials are BLUESIGN® certified. We use PFC-free DWR Impregnations to make our fabrics waterproof.

### FAIR IS THE WAY FORWARD!

Our funwear can only be produced by those who pay and insure their employees fairly, give them sufficient holidays, and look after their welfare.

### POLLUTANT FREE AND FUN!

With 3M reflectors for maximum safety. Without Ugh!

### GREAT INSIDE AND OUT!

Our funwear is wrapped in bags made from recycled PET bottles. They are reusable and keep our funwear clean and durable.

In addition to our CHARACTER LINE, we complement our range of snowsuits with the new COSMO LINE. We continued to focus on loud designs, the usual high class WeeDo quality, the perfect fit and lots of fun extra features. In this product line we dream ourselves away into phantasy worlds, where magical unicorns and brave monsters live. Another (textile) ode to the flourishing imagination of our kids!

# COSMO 23

# COSMO FAIRY SNOWSUIT

Don't be surprised if flower fairies or winter bees come to visit you - they probably think you're a friend. Why shouldn't they? After all, you can fly, just like them. Like a butterfly! Can't you?

Oh, how beautiful is the winter forest! Will you go out to explore like the curious raccoon? Will you gather leaves and nuts like the squirrel? Will you dig yourself a snow cave like the bear? In your cozy camouflage suit you can be anything and do anything.
